Dear Samantha Greene ,

Congratulations on meeting all the requirements necessary to become a certified member of the National Board of Trial Advocacy. You have been added to our prestigious membership of attorneys and are now officially recognized as a lawyer who has demonstrated the special knowledge, skills, and proficiency to be properly identified as a "Board Certified Advocate."

The NBTA's website (www.nbtalawyers.org) gives you the opportunity to not only update and add information to your personal bio, but is flush with updated features and information, including:

- News and events blog
- Events calendar
- Downloadable rebranded badges for each certification
- More robust members-only area

Please refer to "For Attorneys" on our web page for the listing of state regulations on the proper disclosure of your certification(s) for your state.

Your certificate will arrive within six weeks which will identify your membership for a period of five years from the date inscribed. We ask you be sure to update any changes in your address, telephone, facsimile, email and/or website to make sure we have the proper information.

Again, our compliments for your excellence demonstrated in your specialty area and thank you for your commitment to attorney board certification!

Sincerely,

Melissa Sternbach
